

## HMAS CERBERUS 2009 OPEN DAY PROGRAMME

There are a variety of displays and tours occurring throughout the day in ALL our Schools and Faculties. Our Staff and Trainees are here to answer your questions. Navy Photographers will be taking pictures as part of Navy's Public Relations – if you do not wish your children to be photographed, please advise the photographer accordingly. Due to unforeseen events, the programme may have to be changed. First Aid posts are marked on the Map (over) and there will also be a roving team. The Buses and Bus Guides will operate all day to assist you.
