

## FACT SHEET

### Ways of Working

### Fleet Activity Schedule (FAS) Review

**Review FAS to identify dedicated blocks for training, maintenance and respite**

Status: Implemented

Lead: Fleet

#### TARGETING

All Navy

#### WHEN

26 Sep 22

#### YOU GET

Detailed FAS

## Benefits

- Meets government and CDF directed operations, actions and activities (OAA), international engagement and exercises both within Australia and International.
- Detailed FAS (up to 12 months ahead) to help you plan time at home.
- Provides opportunities for Commands to conduct dedicated training periods to enhance mariner skills.
- PERSTEMPO of units managed which then assists in management of individual separated service threshold.
- Seaworthiness of units upheld with adherence to Usage and Upkeep Cycle.

## More Information

The FAS can be found at this link
